Mastery Technologies Team:

On behalf of the Europe Regional Education Award Judging Panel, I would like to congratulate you for being selected as the winner of the following award category:

This honor is well deserved. Your efforts into organising this event showcase your tremendous dedication to your peers and YPO-WPO's mission of fostering better leaders through education and idea exchange. With the incredible event that you put together you set the bar with your excellence, and we would like to express our sincere gratitude and deepest appreciation.

The Regional Award winners will be showcased in the Europe regional flyer that will be distributed at the upcoming Regional Executive Meeting in Paris.

All Regional Education Award winners automatically qualify and are submitted to the International Education Award competition which will be announced at GLC in Melbourne.
